DOCTOR DOOM

The powerful and intelligent, but vain, Victor Von Doom was orphaned early in life as a child in the country of Latveria. Through science and the mystic arts, he found himself attending a highly accredited university, where he met Reed Richards. Doom's hatred for Richards was instantaneous, as he was intimidated by Richards' equal, if not greater, intellect.

This rivalry led him to dismiss Richards' warnings about an experiment he was working on. The experiment failed, and exploded, leaving Doom with a long scar on his face. Doom was so enraged that he was fitted with a suit of armor, and demanded that the face piece be put onto his face while it was still red hot, thus disfiguring him for life.

Doom returned to overthrow and rule Latveria. Consumed by greed, this victory did not satisfy his need for power, as he tried time and time again to rule the Earth. But Doom has always found himself on the losing end due to his former classmate Reed Richards, now known as Mr. Fantastic of the Fantastic Four.

The increased size of the Doctor Doom Legendary Scale™ Figure provided Sideshow artisans with a larger creative 'canvas', allowing added detail and realism in sculpture, paint application and costume fabrication. The larger sculptural base created opportunity for pose realism and greater detail in facial expression, and defining features, including skin texture, unique markings, and scarring. Similarly, the paint application was executed with greater precision for more natural shading and subtle textural details. Larger clothing patterns provided opportunity for better fit and accuracy in costuming, including greater authenticity in fabric choices and finishes.

With his striking realism, refined detailing and commanding size, the Doctor Doom Legendary Scale™ Figure elevates a collection into a gallery display. Intended for pedestal or tabletop presentation, this centerpiece figure is designed to stand eye-to-eye with viewers, drawing them in and challenging them to enter the world of Doctor Doom. This commanding figure is a lifelike showpiece unlike any other, capturing the essence and emotion of one of Pop Culture's pinnacle characters.

Along with legendary size comes legendary care in the assembly process. In the next few pages you will be guided through several steps for the proper assembly of the Doctor Doom Legendary Scale™ Figure. Please exercise legendary care when assembling your Doctor Doom Legendary Scale™ Figure.

CAREFULLY ALIGN LOWER BODY INTO BASE KEYHOLES.

SLIDE HOLSTER ONTO BELT.

CAREFULLY ALIGN TORSO ONTO WAIST KEYHOLE.

WRAP BELT AROUND WAIST AND BUCKLE.

ATTACH LEFT ARM INTO KEYHOLE AND REPEAT STEP ON THE RIGHT SIDE.

DRAPE AND STYLE HOOD AROUND NECK.

ALIGN PORTRAIT ONTO NECK KEYHOLE.

STYLE HOOD AS DESIRED UP OVER HEAD PORTRAIT.

INSERT CAPE MEDALLION PIN THROUGH HOLE IN CAPE, REPEAT STEP ON THE OPPOSITE SIDE.

MEDALLION PIN WILL BE INSERTED INTO CORRESSPOINDING HOLES ON CHEST. BEFORE PIN IS INSERTED, ATTACH BOTH METAL CHAINS TO CLASPS.

ATTACH BOTH METAL CHAINS TO BOTH MEDALLION CLASPS, THEN INSERT PINS INTO BOTH CHEST HOLES TO SECURE.

BOTH MASKS WILL MAGNETICALLY ATTACH TO PORTRAIT.
